

Intelligent Computers for Intelligent People

Beautifully large 19" LCD Monitor System !

Treat yourself to a 19" Flat Panel LCD Monitor with our E5000 System. There isn't much that our E5000 system can not do. It is our fully loaded power house system, and that means that there is nothing else you will need to buy to get up and running, so take it home plug it in and be assured that everything you need is there for you. Now that is exceptional value! On a tighter budget? Then perhaps the E4000 will fit the bill, and it's still fully featured
Remember each and every system is built to order and therefore to your own requirements
